Re: Truck Routes/Limits

For Immediate Release to the Press:

At the May 2nd Traffic Commission meeting, a motion was adopted to send a recommendation to the City Council to pass an ordinance regarding Truck Routes in the City of Portage.

The Commission recommended that an ordinance be passed restricting trucks 45' or greater in length and/or with a gross weight limit of 12 tons or greater not to be allowed on any local streets. However, permits will be made available for deliveries to local businesses.

The ordinance is expected to be presented at the June 4th City Council Meeting (6:30pm at Woodland Park).
