Re: New Open Air Pavilion

The City of Portage, Greater Chamber of Commerce and the Portage Department of Parks & Recreation hosted an employee luncheon, and ribbon cutting ceremony at the Open Air Pavilion. The staff of the City of Portage enjoyed their lunch thanks to the generous donations from Strack & Van Til (Portage) and Cappel's. At 2p.m. the ribbon cutting took place with many individuals present. The Open Air Pavilion will serve as another available park rental space, and is open now for bookings. If anyone is interesting in booking, please contact 219-762-1675 or visit www.inportageparks.com.

Thank you,

John M. Cannon, Mayor
